

# COLLABORATION ACROSS THE PUBLIC SECTOR

## PLEASE JOIN US...

The *Partners in Public Service: Collaboration Across the Public Sector*, promises to be an evening of learning and connecting with colleagues across all levels and areas of the public sector. The event will feature a multi-disciplinary panel of public sector leaders discussing the importance of collaboration across jurisdictions and sectors, and how we as a collective public service can better serve our citizens.

This evening will also provide you with an opportunity to forge new partnerships with your counterparts and to learn more about our host organizations.
