

FOSTERING AN ENGAGED COMMUNITY FOR SHARED LEARNING

The Johnson Shoyama Graduate School of Public Policy is pleased to invite you to a dinner reception, featuring poster presentations by our Master of Northern Governance and Development (MNGD) and Joint Master of Governance and Entrepreneurship in Northern and Indigenous Areas (GENI) students. Through their internships, our students are doing applied research to address the real challenges of Northern Saskatchewan and the Circumpolar North, and are creating opportunities within these communities.
