All JSGS students are invited to join us for a film screening
and discussion!

Falling Through the Cracks: Greg's Story is a short film on
Greg Price's journey through the healthcare system. The film
gives a glimpse of who Greg was and focuses on the events
of his healthcare journey that ended in his unexpected
and tragic death. In spite of the sadness of Greg's Story, the
message of the film is intended to inspire positive change
and improvement in the healthcare system.

The screening will be followed by a discussion with
members of Greg's family, moderated by Amy Zarzeczny,
MHA Program Director and Associate Professor, JSGS. The
discussion will give students an opportunity to explore
broader themes relating to learning and communication
within complex systems, quality and safety, teamwork, and
mechanisms for policy change.
