SOCIAL SCIENCES AND HUMANITIES NUCLEAR RESEARCH STUDENT FORUM

The University of Regina, Johnson Shoyama Graduate School of Public Policy and the Clean Energy Technologies Research Institute are pleased to invite you to join us as JSGS social science/policy scholars and students' present their nuclear research program progress and findings. Topics will range from Indigenous energy sovereignty, SMR SWOT analysis, energy literacy, and developing equitable and inclusive participation and engagement. Participants will include government, industry and academia.

Event details:

Friday, June 10, 2022, 8:30 am - 1:30 pm CST

Join us in person or via zoom!

Doors will open with coffee and snacks at 8:30 a.m. Presentations will run from 9:00 a.m. until 1:30 p.m. with a light lunch provided to those attending in person.

Location is CB 308, 3rd Floor, College Avenue Campus, University of Regina, 2155 College Avenue.

Paid parking is available in Lot 20.

Register via email to CETRI.events@uregina.ca and indicate if you will attend either in person or virtually.

Thanks to all event supporters:
