

**DARE TO THINK
ABOUT THE
WORLD IN A
NEW WAY.**

Are you intrigued by the complex network of public and private interests that impact society? Do you want to conduct research that will contribute to the study of public policy in the real world? **Think boldly.**

Enroll in the Johnson Shoyama Graduate School of Public Policy and collaborate with internationally recognized scholars on research with local and global impact.

GRADUATE PROGRAMS INFORMATION SESSION

Join us to learn about our **research-based** programs and how to apply to our USask campus!
