The JSGS Indigenous Students Pathways Panel is pleased to welcome some of our Indigenous students and alumni from across JSGS programs who have excelled in their studies and have had an impact in their communities. Join us to hear first-hand experiences from these individuals as we discuss why they decided to pursue graduate studies in public administration, public policy, or governance and entrepreneurship in northern and Indigenous areas. Learn about their motivations to pursue graduate studies, their experiences at JSGS, and how JSGS has helped them reach their career goals.

Prospective Indigenous students who attend this session are eligible to apply for the graduate program application fee waiver for both the JSGS USask and JSGS U of R campuses.
